Present:

Community Services Fair

You're in Luck!

A RAINBOW OF SERVICES

- helping cover the financial costs of having a child with a disability
- parent support groups
- recreational opportunities
- making home accommodations for persons with physical disabilities
- future financial planning
- assistance gaining and maintaining employment
- preparing for college

The community services fair is an annual opportunity for our families of persons with special needs to see what resources are in the community for them.

The representatives at our fair help families with a very wide range of services .
